Save Time & Save Money

Being licensed as an Enrolled Agent assures you that we are up-to-date with current tax law changes.

We're open year round for continuity of service. All needs are handled within the John A. Wheeler office by one individual. We don't farm out your work. There's no need to repeat problems. There's no need for ten different handlers.

And of course, all information is held in strictest of confidence. The many satisfied Wheeler clients will vouch for that.

You will receive the benefit of John A. Wheeler's 27 years in practice, and his diversified experience in handling different types of businesses.

We're dedicated to staying on top of the changes, and committed to helping you ease your tax burden.
