

## **May Angels Guard You**

**May the angels guard your mornings,  
May they guide you through the night.  
May they comfort all your sorrows,  
May they help you win each fight.**

**May they keep watch on your soul,  
May they show you better ways.  
May they guard you while you're sleeping,  
May they see you through your days.**

**May they show you hopes and dreams,  
May they still your every doubt.  
May they calm your every fear.  
May they hear you when you shout.**

**May the angles always keep you,  
More than this I cannot pray.  
And if the Angels ever fail you,  
Then may God be there that day.**

## **Hugs From Heaven**

**When you feel a gentle breeze  
Caress you when you sigh  
It's a hug sent from Heaven  
From a loved one way up high.**

**If a soft and tender raindrop  
Lands upon your nose,  
They've added a small kiss  
As fragile as a rose.**

**If a song you hear fills you  
With a feeling of sweet love  
It's a hug sent from Heaven  
From someone special up above.**

**If you awaken in the morning  
To a bluebird's chirping song  
It's music sent from Heaven  
To cheer you all day long.**

**If tiny little snowflakes  
Land upon your face  
It's a hug sent from Heaven  
Trimmed with Angel lace.**

**So keep the joy in your heart  
If you're lonely my dear friend  
Hugs that are sent from Heaven  
A broken heart will mend.**
