

I made myself a snowball,
As perfect as could be,
I thought I'd keep it as a pet,
And let it sleep with me.
I made it some pajamas,
And a pillow for its head,
Then last night it ran away,
But first-- it wet the bed.

My Holiday Wish List

I was thinking the other day
Of my holiday list
I thought of all my wishes
My dreams and my desires.

I remembered all the goodies that had
Crossed my mind throughout the year
I pondered over a million gadgets,
And a ton of fun filled gear.

BUT

When I finally wrote it all down,
My list was short and sweet
I added only a single wish
Yet the list was perfectly complete.

The one thing that I did write,
The single item that I **MUST** acquire
The only request on my list
The treasure I most desire.

IS

To have you know...
How much I care,
Give you all the support I can,
Blessing this bond
that we share,
And always being there
To hold your hand.
