

THE PAUL HARRIS PRESENTATION TO MARLENE B. BROWN

PRESENTED BY DISTRICT GOVERNOR ED PAPARELLA

UTICA ROTARY CLUB MEETING

JUNE 25, 1999

In our journey in life we meet very special people. They lift your Spirit, give you guidance and will walk across a bed of burning coals to support your vision. You have such a person in your club.....This year has been truly wonderful for Barb and me.....this person helped make 1998-1999 for your club and our District the best it could be.

We wanted the world to know who we really are in District 7150. This person brought to life...who we are....our goals, our Dreams and shared with the world...our commitment to Rotary and our world family wherever a need would arise.

This person would do small things with love and was always ready to take what life gives ..and give life whatever it takes with a caring smile.

This person has a heart and spirit that is best known in these words from Mother Teresa:

**The Fruit of Faith is Love
The Fruit of Love is Service and
The Fruit of Service is Peace**

On behalf of the Utica Rotary Club, it is my honor and privilege to present to Marlene B. Brown, a Paul Harris Fellow Award.

Please join me in recognizing Marlene.....
